Apple Grafts.

We furnish Apple Grafts worked on Seedlings grown on **fresh, strong** land, **free of disease** and on well matured cions cut from **our own cion orchard.**

We have the same bunch of old experienced men who must be kept at work. With this in view we have reserved a choice lot of roots and cions and expect to put up our usual amount of grafts for the wholesale trade.

With the scarcity and high price of Seedlings you cannot afford to do your own grafting when you consider these prices:

	1000
Piece Root [6 in. cion 3 in. root] 10m and up	$5.00
Piece Root [6 in. cion 3 in. root] 1m to 10m	6.00
Whole Root [6 in. cion whole root] 10m and up	7.00
Whole Root [6 in. cion whole root] 1m to 10m	8.00

Prices are for grafts wrapped with waxed thread; wrapped with waxed paper 10 cents per 1000 extra.

Terms: One-fourth cash with order, balance when ordered shipped.
